DESCRIPTION

The Grand Design Imagine 2500RL is a lightweight rear-living travel trailer that?s built for couples (and small families) who want a roomy, comfortable layout without towing something massive. With a rear living floorplan, this model gives you a relaxing lounge setup and smart day-to-day functionality?ideal for weekend getaways or longer road trips. One of the standout features is the large U-shaped dinette with a removable ottoman on the slide wall, giving you flexible dining, extra seating, and a great spot to kick back after a day outside. The walk-through bathroom adds convenience while also creating more usable floor space, making the trailer feel open and easy to move around in. For privacy and easy access, the Imagine 2500RL includes two separate entrance/exit points in the bedroom and living area?perfect when you?re camping with guests or just want a little extra separation bet...
